

Bachelor of Arts(BA)

Course Overview Institution: St. Anne's First Grade College for Women

Program Duration: 3 Years (6 Semesters)

Semester 5

Public Administration:

The implementation of government policies and the management of public programs and services. It involves planning, organizing, directing, coordinating, and controlling government operations to meet public needs.

Research Methodology:

A systematic approach to conducting research, including the methods, techniques, and procedures used to collect, analyze, and interpret data. It ensures that research is conducted scientifically and objectively.

Human Rights:

Fundamental rights and freedoms that every person is entitled to, regardless of nationality, race, gender, religion, or other status. These include civil, political, economic, social, and cultural rights as outlined in international laws and treaties.

International Relations:

The study of relationships between countries, including diplomacy, conflict, trade, and global issues. It examines how nations interact with each other and the impact of international organizations and agreements.

Media and Society:

The study of how media (print, digital, broadcast) influences and reflects social values, norms, and public opinion. It explores the role of media in shaping cultural identities and political discourse.
