

## **Bachelor of Commerce (BCom)**

**Course Overview Institution: St. Anne's First Grade College for Women**

**Program Duration: 3 Years (6 Semesters)**

---

### **Semester 1**

#### **Financial Accounting:**

This course provides an introduction to the principles and practices of financial accounting. Students will learn how to record, classify, and summarize business transactions. Topics include journal entries, ledger accounts, trial balance, final accounts, depreciation, and accounting standards. The course builds the foundation for preparing and analyzing financial statements.

#### **Business Law:**

This course introduces the legal framework within which businesses operate in India. Students will study key laws related to contracts, the Indian Partnership Act, the Sale of Goods Act, and the Companies Act. Emphasis is placed on understanding legal rights, duties, and compliance in business operations.

#### **Economics (Micro and Macro):**

This course explores basic economic concepts, focusing on both microeconomics (individual and firm behavior) and macroeconomics (national income, inflation, unemployment, fiscal and monetary policies). Students will understand how economic principles influence business decision-making and government policy.

#### **Business Mathematics:**

This course equips students with mathematical tools used in commerce and finance. Topics include ratio and proportion, percentages, interest and annuities, matrices, linear equations, and statistics. The course helps students apply quantitative techniques to solve business problems effectively.

**English Communication:**

This course enhances students' proficiency in written and spoken English, focusing on communication in a business context. Topics include grammar, vocabulary building, business correspondence, report writing, presentations, and interview skills. Emphasis is placed on developing effective professional communication.
